

## Sponsorship Packages

Thank you for your interest in sponsoring SharePoint Saturday Kansas City 2011!

SharePoint Saturday Kansas City is in its fourth year, with three successful annual events. It was the second SharePoint Saturday event in the country, providing a format for other events around the United States and the world.

Average attendance at the event has exceeded 150+ attendees, sponsors and speakers. The enormous interest in SharePoint as a platform coupled with our ability to provide industry leading speaking talent and our gracious sponsors has proven to be a recipe for success.

We cannot express how important sponsorships are for SharePoint Saturday as they keep the event FREE for attendees while introducing them to products and services that they may have been unaware of.
